Summary

As a high school student, Ryuunosuke's daily life is hectic. However he's actually a 'wizard' who protects the world from extraordinary crises. This causes him trouble and seems to attract all kinds of danger, such as his unique constitution causing him to transform into a girl whenever his chest throbs. Ryuunosuke, the magician Mayuri Vanstein and the cat person Agetha form a party to search Kimei Academy together. Their goal is the 'Jewel of Wisdom' hidden within the school. It seems the gem has the ability to 'answer any question' when used. In the heat of their search, Ryuunosuke's childhood friend, Tamami, appears. She narrowly misses learning of Ryuunosuke's alter ego, but...

Fujiwara Ryuunosuke

A wizard attending high school at Kmei Academy. His class is dragon user. Due to his constitution, he changes into a girl when his heart throbs.

Mayuri Vanstain

A wizard attending Kmei Academy as an exchange student. Her class is mage. She is searching for the seven jewels per a certain woman's orders.

Ageha

Another wizard who came to Kmei Academy in search of the jewel. Her class is cat person (werewolf). She's the 'cool, military' type.

So, it would seem I have a good view of her surprised expression.
Is it okay for me to continue observing?

As I arranged, the situation is progressing at a convenient rate.
Thus I was able to ensure that this all worked to my advantage in the end
That aside, I'm worried about the progress of the "device's" development.
